2021 JUNIOR SPORTS PROGRAM

Weekly, June 14 – August 20

Our robust Junior Sports Program includes close supervision and skills development for young participants ages 5-15. Our coaches encourage our young athletes to sharpen their skills and increase their knowledge while participating in good sportsmanship. Fueling the competitive spirit, events are scheduled within the LCC community and with neighboring clubs. And, they have fun while doing so! Junior clinics will begin at 9 am and will run through the early afternoon (with time allotted for snacks/lunch).
